

**PETRELLA BROWN PLC
MEDICARE SUPPLEMENT COVERAGE CHANGE**

Dear Friends:

Some of my clients (and even my parents) received a notice that certain Medicare supplemental insurance coverage would no longer be offered in our area. (This is insurance coverage in addition to Medicare.) This change is a major concern because everyone wants to be sure that they have adequate health care coverage to protect them if they become sick. Those people affected must act by December 31, 2009.

I have read the forms and, even though I am an attorney, they are confusing. It was important to me to find out what the change meant and what options were available for those affected. I contacted insurance experts and got some answers.

I want to share this information with you at no charge. Our law firm will host an informal meeting at the **Bloomfield Public Library (at Lone Pine Road and Telegraph) the afternoon of Tuesday, November 17, 2009 at 2:00 p.m.** This is open to the public, so please invite others who may be interested.

To your good health,
Marisa Petrella
